Selected Impact

Lead and develop a multidisciplinary in-house creative team, with responsibility for creative quality, team development, prioritization and scalable delivery across the organization.

Initiated and led the evolution of the **ImmoScout24 brand and campaign ecosystem**, helping establish a stronger internal creative production capability and cross-team brand alignment.

Driving the Creative Studio's transition toward AI-enabled creative operations, introducing new workflows, tools and enablement models to increase efficiency, scalability and brand consistency.

Contributed to the globally recognized **#MyCalvins campaign for Calvin Klein**, developing integrated creative activations across digital, retail and social channels.

Professional Experience

Scout24 Group

Berlin, Germany

Design Manager / Creative Studio Lead, 2023 – Present

Leading a multidisciplinary in-house creative team responsible for brand design, integrated campaigns and creative production across one of Germany's largest digital consumer platforms.

Key Impact

- Evolved the Creative Studio from a delivery-focused design team into a strategic internal creative partner, strengthening workflows, brand governance and cross-functional collaboration.
- Initiated and led the ImmoScout24 brand refresh, evolving the visual system and creating a stronger, more scalable foundation for brand consistency across channels.
- Built and expanded in-house creative production capabilities across campaign, video and content, reducing reliance on external agencies and increasing speed and flexibility.

- Pioneered AI-enabled creative workflows and team upskilling, introducing new tools, governance principles and scalable production approaches while protecting brand quality.

Responsibilities

- Creative development and execution of integrated brand campaigns across digital, video and performance channels.
- Visual direction and production of **in-house TV campaigns**, reducing reliance on external agencies.
- Development and production of large-scale **photo shoots and brand imagery**.
- Establishing and maintaining the **brand media library** and photographic language.
- Managing and monitoring **design standards** to ensure brand consistency across all marketing assets.
- Leading, mentoring and developing designers, with responsibility for performance, professional growth and creative quality.
- Collaborating closely with brand strategy, marketing and product teams to translate brand objectives into visual communication.

Lead Designer Campaigning, 2020 – 2022

Worked across brand campaigns and creative production for one of Germany's most recognized digital consumer platforms.

Responsibilities

- Creative concept development and visual execution of integrated marketing campaigns.
- Development and execution of **TV campaigns produced in-house**.
- Creation of campaign assets across digital, social, video and performance channels.
- Helped build the Creative Studio's in-house production capabilities across campaign and video.
- Contributing to the evolution of the brand's **visual storytelling and photographic direction**.
- Collaboration with brand, marketing and product teams to ensure coherent campaign rollouts.

Freelance Creative Consultant, 2019 – 2020

Berlin, Germany

Worked with multiple clients on brand strategy, campaign concepts and creative

direction.

Responsibilities

- Concept ideation and creative strategy development.
- Brand positioning and visual storytelling.
- Campaign concepts across digital channels.

Calvin Klein

New York, USA

Director Integrated Content Creative, 2016 – 2018

Part of the global creative team developing integrated brand campaigns and digital activations for Calvin Klein.

Selected Contributions

- Contributed to the global **#MyCalvins** campaign, featuring talents including Justin Bieber, Kendall Jenner and Kendrick Lamar.
- Developed creative concepts and visual executions across **digital, retail and social platforms**.
- Led and contributed to the creative development of interactive brand experiences and global campaign activations.
- Collaborated with photographers, stylists, creative agencies and production teams on global campaign executions.
- Managed external creative partners, agencies and production vendors across global campaign executions.

Laird & Partners

New York, USA

Freelance Art Director, 2015

Worked on branding and campaign development for fashion and lifestyle clients.

Responsibilities

- Concept development and visual direction.
- Brand identity and campaign design.
- Photographic direction and production collaboration.
